

Curtains

Short description:

Custom curtains with a sheer or blackout finish

Long description:

Featuring a minimal, flat panel style, our custom drapes are the perfect way to showcase fabric prints and patterns. Choose between a light-filtering sheer curtain made from a lightly textured weave for a soft, flowing feel or a sateen twill weave blackout curtain for a heavier drape and added privacy.

These bespoke curtains come with a 4" hemmed rod pocket at the top for easy hanging on all standard specification curtain poles and are created to industry-standard size and specification.

We use our specialist dye-sublimation printing to ensure your design is recreated in stunning, vibrant colour. All of our drapes are resistant to creasing, staining and fading.
