

Fine art greetings cards

Short description:	Single or multiple personalised cards with self-send or direct delivery options
Long description:	Available to order in single or multiple quantities, these premium print on demand cards are a great way to display your artwork or photography. Our fine art custom cards come in four sizes and can be personalised inside and out. Choose between Mohawk Fine Paper (324gsm) or gloss-laminated paper (280gsm). We offer two distinct delivery options: **Mail4Me Direct Delivery** and **Mail2Me Self Send**. While both options ship to the address you provide in our system, they differ in how the cards reach the final recipient. **Mail4Me Direct Delivery** is intended for sending individual cards directly to recipients. Your message is printed inside the card, which is then placed in a Kraft envelope, ready for immediate delivery. Mail4Me Direct Delivery is available for shipping from the **UK only**. **Mail2Me Self Send** is designed for customers who want to write personal messages and send cards themselves. These cards come in biodegradable cellophane sleeves (individual or pack, depending on the order) and include spare envelopes for customer mailing. Mail2Me Self Send is available for shipping from the **UK and EU**. Please note: Mohawk fine art card paper is made from recycled stock, so slight marks may occasionally appear. These are inherent to the paper itself rather than ink marks.
