

Lustre photo paper

Long description:

A premium photographic paper with a satin lustre finish. Preferred by professional photographers, the finish provides a subtle pearl-like texture. Supporting deeper colour saturation than matte papers, this stock produces impressive colour depth and strikingly intense blacks.

Please note: Prints sized 200mm and under for UK orders will be sent flat in an envelope. For EU, US and AU orders, prints sized A4 and under will be sent flat in an envelope. All other sizes will be sent rolled.
