

Tube socks

Short description: Calf-length custom socks made from soft, stretchy polyester

Long description: Made from 100% polyester for a soft and stretchy fit, these custom printed socks are naturally quick-drying and help to wick away moisture and sweat.

With a tubular construction, Prodigi tube socks are available to order in one size that fits up to UK 11.

Our blank sublimation socks have a bright-white base, which is then dye-sublimated to ensure your image is printed in clear, crisp colour.

Please note: We recommend using a design that covers the entirety of the printable area – preferably a pattern or design that is not dependent on exact positioning, since this can't be guaranteed with dye sublimation.

Features:

- Calf-length socks
- Made from 100% polyester
- Silky-soft fabric with natural stretch
- Quick-drying and moisture-wicking
- Tubular shape
- Printed front and back
- One size fits all (up to UK 11)
