

Woven tote bags

Short description:

Custom woven tote bag with contrast webbed handles

Long description:

Custom tote bags don't get much more premium than this. Crafted from a tightly woven cotton and polyester mix to ensure a clear image with a beautifully textured finish, this woven tote bag is the perfect product for merch or accessory sellers.

Available to order in one size, Prodigi woven tote bags feature an open top and sturdy, contrast webbing straps as well as double-stitched seams and a laminate lining for added structure and durability.

Your design will be recreated on both sides of your custom tote bag, after which we'll pack and deliver your order to your chosen address.

Please note: Each strap measures between 29"/73cm and 31"/78cm from end to end. However, due to sewing tolerances, the final strap length may vary slightly. It measures approximately 12"/30cm from the top of the tote bag to the highest point on the shoulder strap.
