

iPad case

Short description:

Vibrant, hard-shell cases for stylish protection

Long description:

Our snap on iPad case has a snug and intimate fit. Made from durable, impact resistant polycarbonate, a specialist plastic that's extremely strong and lightweight. Your custom design is printed edge to edge to an outstanding quality with a vibrant, long lasting colour finish. The case is then coated with water based polyurethane for enhanced protection.

The rigid, hard shell case has clear, open ports for connectivity and supports bluetooth charging.

Choose from either a matte or gloss finish.

Features:

- Slimline snug and intimate fit
- Durable and shatterproof
- Available for iPad, iPad mini and iPad Air models
- Full 3D image wrap print surrounding every surface
- High image quality
- Available with a matte or gloss finish
